Summary

Hadhrat Khalifatul Masih said that today he would give the last sermon in the series relating traditions of companions of the Promised Messiah (on whom be peace).

It is a super coincidence that the series is concluding in February and is concluding on traditions regarding Hadhrat Musleh Maud (may Allah be pleased with him).

After relating many faith-inspiring incidences, Hadhrat Khalifatul Masih explained briefly about the dreadful episode of Mistri allegations.

Hadhrat Khalifatul Masih (aba) prayed that may God elevate the status of all the companions

Hadhrat Khalifatul Masih said that today he would give the last sermon in the series relating to the traditions of companions of the Promised Messiah (on whom be peace).

These traditions were collated under different topics and recounted in sermons.

It is a super coincidence that the series is concluding in February and is concluding on traditions regarding Hadhrat Musleh Maud (may Allah be pleased with him).

The affiliated department has been instructed to go through the records/register once again and if any traditions were missed out, they will be recounted at another time.

On 20th February Musleh Maud day will be commemorated by the Jama'at to mark the fulfilment of the Musleh Maud prophecy which was a proof of the truthfulness of the Promised Messiah (on whom be peace).

The traditions recounted today illustrate how Divine assurance was given to people regarding the Khilafat of Hadhrat Musleh Maud (may Allah be pleased with him) and how some, who had joined the Lahore splinter group, were guided and reverted to taking Bai'at [of Khilafat e Ahmadiyya].

Hadhrat Musleh Maud (may Allah be pleased with him) went through times of extreme difficulty and severity.

A terrible controversy arose at the time of his election, when those who were known as great scholars within the Jama'at and had also been close to the Promised Messiah (on whom be peace), left Qadian taking all the funds and other effects of the Jama'at with them.

Hadhrat Sheikh Ismail sahib (may Allah be pleased with him): He took Bai'at in 1894. He relates his dream:

I saw that Hadhrat Khalifatul Masih I (may Allah be pleased with him) is injured and has contracted an illness. I put my hand on the hand of Mian Mahmood and declare that I am his first follower

He replies that he does not understand.

Just then someone says that I have been informed via revelation and dream; 'We have made Mahmood the Khalifa.'

Hadhrat Ameer Muhammad Khan sahib (may Allah be pleased with him):

In November 1913 I saw a dream in which some large dried bean-pods are hanging from a tree and their rustling is so loud that it is difficult to hear anything else.

Just then very strong rain starts falling and all the dried bean-pods fall off the tree.

Alhamdolillah, this dream was fulfilled at the time of the second Khilafat when Maulwi Muhammad Ali and his associates had created a lot of noise but then left the Jama'at and Qadian.

He is asked why did he call it, Satan's house, to which he replies that the Promised Messiah (on whom be peace) called it thus.

Hadhrat Musleh Maud (may Allah be pleased with him) says Satan's house is destroyed, now greenery will grow on land and fruits will grow.

Hadhrat Khair Din sahib (may Allah be pleased with him):

His Bai'at year is 1906. He relates a dream:

I saw that Hadhrat Musleh Maud's (may Allah be pleased with him) right hand has grown enormously and is about 55 feet long.

This signifies that God has bestowed him with extraordinary power which no one will be able to match.

In another dream I saw that on one side of Hadhrat Khalifatul Masih II is a man named Yusuf and on the other side is a man named Sher Ali.

God informed me that some people envied the progress of Hadhrat Khalifatul Masih II (may Allah be pleased with him) but God's extraordinary help was with him, so no one could harm him.

Hadhrat Khalifa Nur Din sahib (may Allah be pleased with him): He took his Bai'at in 1891. He relates:he

I was inspired and realised that Hadhrat Khalifatul Masih II (may Allah be pleased with him) was 43 years old in 41 and in an Urdu poetic verse of the Promised Messiah (on whom be peace) which speaks of the prophecy of a son, the word aik (one) is used

In 1941 I saw a child in a vision. Everyone is being very affectionate to him. I too take him in my arms and am loving towards him. Although the child is only small people say he is 43 years old.

The word aik denotes the number 41 according to an arrangement of Arabic alphabet where each alphabet is assigned numerical value. Spiritual excellence too starts after the age of 40, this is why the child was shown as 43 year old in the vision.

Hadrat Rehm Din sahib (may Allah be pleased with him), son of Jamal Din sahib: He took Bai'at in 1902. He relates:

I saw Maulwi Muhammad Ali and Hadrat Khalifatul Masih II (may Allah be pleased with him) together.

Meanwhile, Maulwi Muhammad Ali's body starts to contract, so much so that it is the size of a child's body whereas the body of Hadrat Khalifatul Masih II starts to grow so much so that it becomes larger than life size and exuded prestige and majesty.

In the morning all my doubts were removed and I took his Bai'at.

He relates:

I saw a dream that the Promised Messiah (on whom be peace) asked me to look at something. I saw that a pigeon flyer is angrily looking at a pigeon that has gone and sat on the umbrella of another pigeon flyer.

The Promised Messiah (on whom be peace) explains that pigeon flyers have contempt for those pigeons who sit on the umbrella of other pigeon flyers

Therefore, you too should not go to the Paigham Building [location where those 'Ahmadis' who denied Khilafat e Ahmadiyya convened]. I said I would not.

Hadhrat Dr Abdul Ghani sahib (may Allah be pleased with him): He took Bai'at in 1907, he relates:..

In the dream I am in a mosque and want to do Wadhu but there is no water available there. I go off looking for water and find myself in a mosque which looks like the Paigham Building where I find water. I open the tap and at first clean water comes out but then it turns dirty and has algae in it and then the water stops.

I decide to return to the first mosque and as I climb a wall to do so someone grabs my leg and asks me why had I gone to that mosque and that I should not return and I reply that I have no need to return.

I then go back to the first mosque and find a trough of clean water there and Maulana Rajiki is giving Dars of Hadith. I think with so much water available here, how I could have overlooked it before.

Hadhrat Dr Nehmat Khan sahib (may Allah be pleased with him): He took his Bai'at in 1896. He relates:

I joined the Paighami group but it is God's grace that I did not change my outlook about the family of the Promised Messiah (on whom be peace) and I did not ever use inappropriate language about them.

I went to Qadian to help a relative and the atmosphere of Qadian was quite something else. It had such an impact on me that gradually all my doubts were removed and I filled Bai'at form and it felt as if God had granted me life once again

Hadhrat Mian Sonay Khan sahib (may Allah be pleased with him): He relates: .

At the time of the height of Ahrar commotion the allegations from Mistris were also made I prayed most heart-wrenchingly and saw a dream..

A man says that Maulwis have come and they are saying that they will completely uproot Ahmadiyyat. I take a few Ahmadis and go towards them. When we reach the destination it is Asr time, so I lead them in Prayer. A few other Ahmadis also join us. I look skywards and see two moons. One is shining brightly but the other is dull. Just then the second moon also acquires light and becomes as brilliant as the other one. A sound comes saying that the first moon is the Promised Messiah (on whom be peace) and the other one is Hadhrat Mirza Bashir ud Din Mahmood Ahmad, Musleh Maud (may Allah be pleased with him).

Next Hadhrat Khalifatul Masih explained briefly about the dreadful episode of Mistri allegations.

Hadhrat Musleh Maud (may Allah be pleased with him) said: ‘Recently a court case was filed against me that I have appointed men to have some people killed. These people are associated with Machine Sawyan shop and the court case was filed by them. The other court case was that in future my guarantee should not be taken.’ He said: ‘Murder is a huge matter, I have never even prayed against them.

This commotion was in fact the result of a deep conspiracy behind which anti-Ahmadiyya elements were working. In order to discredit Ahmadiyyat, in fact to crush it, they tried every kind of contemptible trick.

Hadhrat Khalifatul Masih (aba) said that Ahmadis should read about these internal and external conflicts.

Hadhrat Khalifatul Masih (aba) prayed

At the Jalsa Salana of 1927 Hadhrat Khalifatul Masih II (may Allah be pleased with him) said: 'It is the way of God that such matters are experienced by Divine communities. They should not cause anxiety. Our obligation is to do our tasks, it is not our task to be troubled by the mischief of the enemy. God Himself will grant triumph to whatever is His. Allah the Exalted looks after His matters Himself. If the Ahmadiyya Community was manmade, how could it have lasted this much? This is God's community. He alone has looked after it earlier and He alone will do it in future.'

 Hadhrat Khalifatul Masih (aba) prayed that may God elevate the status of all the companions who have been cited today and may their families be recipients of their prayers and may they walk in their footsteps. May all members of Jama'at be safe from every kind of evil and may God enable everyone to maintain a strong connection with Khilafat e Ahmadiyya.
