Excessive Alif

(in between the letters of a word)

Excessive Alif

Points to remember

There are some words in the Holy Qur'an which contain an excessive alif

There are 2 kinds of such words :

- 1) Where excessive alif comes in between the letters of a word
- 2) Where excessive alif comes at the end of a word

Excessive Alif

Points to remember

In terms of pronunciation there are 2 categories of such words :

- 1) Where an excessive alif **must not be recited** either in the continuation of recitation or making a pause at such words
- 2) Where an excessive alif will not be recited if the recitation is continued **but it will be read out if one makes a pause at such words**

Excessive Alif

In this lesson we shall practice those words where an **excessive Alif must not be recited**.

Remember

Such a word may or may not carry a sign of a small cross or a circle. In most copies of the Qur'an it is written on the margin.
