Psychological Impact of Unequal Global Economic

Political Theory (Political Science) or Marxism (Marxist Theory) can explain the impact of Historical and Political events on Muslims. Islamic scholars often argue that Muslims lack an equal voice in global politics due to the exploitation of Capitalism. The Marxist and political liberal theorists, such as Franz Fanon, suggest that the exploitation of Muslims is due to their cultural imperialism. Capitalism and its unequal global economic practices create the exploitation of Muslims. (And through the cultural and economic imperialism of Capitalism and its unequal global economic practices.)
