Abu Majlis states: "On one occasion, Hazrat Ammar bin Yasir lead us in a very short prayer. Someone asked him the reason for doing so. He responded: "I did not deviate even to the slightest degree from the prayer of the Holy Prophet (sa). I offered a prayer of the Holy Prophet (sa) in this salat which is as follows:

"O Allah, You are aware of the knowledge of the unseen and your power encompasses all of creation. I implore you to keep me alive only to the time you think my life is good for me and give me death when it is better for me.

Allah! I seek your protection from the unseen and that what is visible, and I beg you to grant me the strength to speak the truth when in a state of anger and delight.
