Dear Brother,

السلام علیکم ورحمة اللہ وبرکاتہ

On 10 June 2011, Hadrat Khalīfatul Masīh V ایده اللہ تعالیٰ delivered the Friday Sermon at Baitul Futuh Mosque, London.

Hudur ایده اللہ تعالیٰ said: In a Hadīth, the Holy Prophet صلی اللہ علیہ وسلم is reported as having said that God will send *mujaddidin*, or Reformers, for the reformation of Islām in every century. Time and again questions are raised with reference to this Hadīth. A similar question was also raised in a Waqf Nau Class some days ago. These questions are not new, for they have been raised in the times of our past Khulafa, who responded to them in appropriate terms. The fact is that they are often asked with a mischievous intent, as became evident in the time of Hadrat Khalīfatul Masīh III رحمہ اللہ تعالیٰ. But whenever people try to cause such mischief God always counters them with His mighty hand.

Hudur ایده اللہ تعالیٰ said: The Promised Messiah علیہ السلام has made it very clear that, in the light of this prophecy, whenever the need arises Allāh will create the means for reformation of Muslims, eradicating false innovations and reviving the true teachings of the faith. Accordingly, the *mujaddidin* came to achieve this purpose.

Hudur ایده اللہ تعالیٰ said: This is the last millennium of the world and for this period Promised Messiah علیہ السلام has been ordained as the Reformer. The Promised Messiah علیہ السلام says, "God has sent me to bring back the faith that had disappeared from this world and to reform mankind, having derived power from God, and draw people towards righteousness and purge them of evil. I have also come to show that, in contrast to the Holy Qur’ān, all other scriptures are of no consequence."

Hudūr ایده اللہ تعالیٰ said: All the means that have become available for spreading Islām in this age are also a sign in favour of the Promised Messiah علیہ السلام. Allāh also gave the Promised Messiah علیہ السلام the glad tiding that after him his mission would be carried on by the institution of Khilāfat. Today we see this prophecy being fulfilled and the work of the propagation of Islam is going on around the world under the supervision of Khilāfat. According to the prophecies this Khilāfat will continue to the Last Day. This also shows that the *mujaddidin* will be none other than the Khulafa who carry on the mission of the Promised Messiah علیہ السلام. With the blessing of Khilāfat the work of reformation is going on around the world not only through the missionaries but also through ordinary Ahmadīs.

Hudur ایدہ اللہ تعالیٰ said: Even today Allāh is showing great signs in support of Khilāfat and is guiding people towards the Promised Messiah علیہ السلام. Allāh causes the Khulafa to appear in the dreams of righteous people as a sign that the Khilāfat is the means through which the work of reformation and spread of Islām will be carried out.

Hudur ایدہ اللہ تعالیٰ said: Every Ahmadi should have firm faith in the claims of the Promised Messiah علیہ السلام and carry on his mission by bringing about a pious change in himself and his family. Let us shun false innovations and become the helpers of the Promised Messiah علیہ السلام. May Allāh enable us to do so.

At the end of the Sermon, Hudur ایدہ اللہ تعالیٰ spoke about the sad demise of Khairuddin Barus Sahib, Ahmadiyya Missionary in Indonesia. Hudur ایدہ اللہ تعالیٰ also led his *Namaz Janazah Gha'ib* after the Jumu'a prayer.

Please convey these guidelines given by Hudūr ایدہ اللہ تعالیٰ to the members of your Jamā'at.

Jazākumullāh.

Wassalām,
