Dear Brother,

السّلام علیکم ورحمة اللّٰه وبرکاته

On 16th September 2011, Hadrat Khalīfatul Masīh V ایده اللہ تعالیٰ delivered the Friday Sermon from Germany.

Hudur ایده اللہ تعالیٰ prayed for the success of the various Ijtimā‘s that are being held in Germany, UK and other countries. Hudur ایده اللہ تعالیٰ said: As the Jama‘at continues to progress with each passing day, more and more people try to create mischief and hurdles in our path. We must remember however that this opposition is a yardstick that signifies our success.

The Promised Messiah علیہ السّلام says:

“Do not pay any heed to the opponents, for if you continue to progress in virtue and piety, Allāh will be with you. He has conveyed to me that people are entering this Jama‘at in great numbers. This is because Allāh has invested this Jama‘at with a special attraction that draws people towards it.”

Hudur ایده اللہ تعالیٰ said: As a sign of the truth of the Promised Messiah علیہ السّلام, this attraction is being experienced even today. Allāh is drawing people towards the Promised Messiah علیہ السّلام through extraordinary means. In spite of all the opposition, Allāh’s blessings upon the Jama‘at are multiplying.

Hudur ایده اللہ تعالیٰ said: People of this world cannot destroy Divine Jama‘ats. We have seen powerful opponents perishing in failure and frustration. We have seen many mischief makers who became the victims of their own cunning. And all along, this Divine Jama‘at is getting closer and closer to its goal. Hudur ایده اللہ تعالیٰ cited several instances of how people living in different parts of the world have been guided to Ahmadiyyat through MTA.

Hudur ایده اللہ تعالیٰ said: Truthfulness is the hallmark of an Ahmadī, which he must never let go off. The Shari‘ah lays down two fundamental duties: our obligations to God and our obligations to mankind. The obligations to God consist in worshipping and obeying Him and not associating any partners with His person or His attributes. And our responsibilities to our fellow beings consist in shunning arrogance, pride, dishonesty and wrongful behaviour. We must do our best not to think ill of our brothers. Instead we should cultivate trust and good-will which leads to mutual love. We are also taught to fulfil our obligations to our neighbours and to

correct our behaviour in every way so as to be truly deserving to be member of the Jama'at of the Promised Messiah عليه السلام.

The Promised Messiah عليه السلام says:

"The purpose of my coming is that the believers should adopt piety and purity and worship the One God."

He says:

"Remember, if this mission of mine is a worldly endeavour, it will vanish without a trace; but if it is from God, it will be safeguarded by angels and continue to grow even if the whole world stands up against it."

The Promised Messiah عليه السلام also says:

"I do not fear opposition; in fact I see it as vital for the progress of this Jama'at."

Hudur ايدہ اللہ تعالیٰ said: Allāh is fulfilling the promises He has made to the Promised Messiah عليه السلام. We should also try to fulfil our obligations and do justice to our pledge of Bai'at.

Praying for his Jama'at, the Promised Messiah عليه السلام says:

"May Allāh protect my Jama'at. May Allāh make the world realize that the Holy Prophet صلى الله عليه وسلم was a true Prophet and may they have true faith in God."

Hudur ايدہ اللہ تعالیٰ prayed: May the calamities that are visiting the world open people's eyes and lead them to the One God. *Āmīn*

Please convey these guidelines given by Hudūr ايدہ اللہ تعالیٰ to the members of your Jamā'at.

Jazākumullāh.

Wassalām,
