The Amīr/National President
Jamā'at Ahmadiyya,

.....

Dear Brother,

السلام علیکم ورحمة اللہ وبرکاتہ

On 8th June 2012, Hadrat Khalifatul Masih V ایده اللہ تعالیٰ delivered the Friday Sermon at Baitul Futūh Mosque in London.

Hudur ایده اللہ تعالیٰ said: Allāh promised success to the Promised Messiah علیہ السلام and today, not only Ahmadīs, but our opponents too are witnessing the fulfilment of this promise. If there had been no opposition, our success would not be so miraculous. While, on the one hand, the fire of hatred against Jama'at Ahmadiyya is raging furiously, on the other hand God is granting extraordinary successes to the Jama'at. This is an act of God whose secret no one can fathom, but we witness its manifestation everyday.

Referring to his recent tour of Holland and Germany, Hudur ایده اللہ تعالیٰ said: By the grace of Allāh, our words have a very favourable impact even on non-Ahmadīs and they admit this in our programmes. In Holland I attended a reception in which Dutch dignitaries were invited and I had the occasion to speak to them about the beautiful teachings of Islām, the immaculate example of the Holy Prophet صلی اللہ علیہ وسلم and the teachings of the Holy Qur'ān. The Members of Parliament expressed high esteem for Islām and Ahmadiyyat. All newspapers and particularly the National newspapers gave a lot of positive coverage to the Jalsa and the reception. By the grace of Allāh the Jama'at has been able to counter many of the misconceptions about Islām that have been spread by the Dutch politician Wilders.

In Germany, Hudur ایده اللہ تعالیٰ opened one new mosque and laid the foundation stones of other three. A reception was held to mark the occasion and many eminent dignitaries were invited. The message of Islām was conveyed to over 500 German participants who took with them a very favourable impression of Islām. Hudur ایده اللہ تعالیٰ also met many non-Ahmadīs from other countries who had travelled to see Hudūr ایده اللہ تعالیٰ.

Hudur ایده اللہ تعالیٰ said that the Jalsa was held in a disciplined atmosphere and the speeches were excellent. For the first time in Germany an International Bai'at was also held. It was a very faith-enhancing experience. May Allāh increase all participants in faith and sincerity.

Hudur ایده اللہ تعالیٰ spoke about some shortcomings in the management of the Jalsa and gave advice as to how these should be avoided in future.

Please convey these guidelines given by Hudūr ایدہ اللہ تعالیٰ to members of your Jamā'at.

Jazākumullāh.
Wassalām,
