

بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ

The Amīr/National President  
Jamā‘at Ahmadiyya,

.....  
Dear Brother,

السلام علیکم ورحمة اللہ وبرکاتہ

On 5<sup>th</sup> July 2013, Hazrat Khalīfatul-Masīh V (May Allāh be his Helper) delivered the Friday Sermon at Baitul Futūh Mosque, London.

Huzoor (May Allāh be his Helper) began the sermon by reciting an Urdu verse of the Promised Messiah عليه السلام in which he expresses his inability to thank God adequately for His immense favours. Huzoor (May Allāh be his Helper) said that it is not possible for man to thank God for all His bounties. Recently in Germany God demonstrated His help and support in such a way that it assured us that God’s promises to the Promised Messiah عليه السلام are being fulfilled with glory every coming day. The interest shown by German public and press was unprecedented.

Huzoor (May Allāh be his Helper) said: In this brief tour, I had occasion to lay the foundation of two mosques, and also to inaugurate two others. These ceremonies were attended by many dignitaries. My addresses helped to alleviate people’s doubts about Islām, and I conveyed to them the beautiful and pristine teachings of Islām. The participants appreciated our efforts to spread peace and harmony through the building of these mosques. The electronic and print media was interested in learning about the true teachings of Islām, the need for the Promised Messiah عليه السلام in this age, and the reason for building mosques. Overall these ceremonies were covered by 30 newspapers, 3 radio stations, and 5 television channels. For the first time in German history, news about the Jama‘at was broadcast on national television. Our message reached a total of 1,200,000 people through newspapers. Our message was also broadcast all across Germany with a picture of Huzoor (May Allāh be his Helper) through the national television. It was also broadcast to Austria and Switzerland through an international television channel. Our Jama‘at is now officially recognized in Germany and is free to open our schools and other projects.

Huzoor (May Allāh be his Helper) said: This time in Germany, I met new Ahmadīs from Germany, France and Belgium, and I also met with delegations from Malta, Estonia, Iceland, Lithuania, Hungary, Latvia, Russia, Tajikistan, Kirgizstan, Kosovo, Albania, Bulgaria and Macedonia. These delegations included non-Ahmadīs who were interested in the Jama‘at. Huzoor (May Allāh be his Helper) cited several comments made by visitors to the Jalsa. One visitor said that the Jamā‘at’s love for Khilāfat is an extraordinary phenomenon. No example of such devotion is found anywhere else in the world. All visitors said that they had been extremely affected by the spiritual atmosphere of the Jalsa. A Christian lady teacher from Macedonia said that

the excellent discipline and management showed the high status of the Jama'at. She said that she had learned from the Khalīfatul Masīh's addresses that Islām is a religion of love, progress and peace. She also said that the Jalsa had brought about a great transformation for her. At the end, many such visitors pledged Bai'at and entered the Jama'at. The Bai'at ceremony was attended by 67 people from 16 countries, of which there were 48 men and 19 women.

Huzoor (May Allāh be his Helper) also pointed out some shortcomings in the management of the Jalsa and gave instruction for avoiding them in future. Huzoor (May Allāh be his Helper) praised the workers, both men and women, for the tireless work. Huzoor (May Allāh be his Helper) prayed that Allāh may reward them and increase them in love and devotion.

During Khutba Thāniyah, Huzoor (May Allāh be his Helper) also spoke about the Jalsas that were being held in Canada, Belgium and Ireland, and also Ijtima Khuddāmul Ahmadiyya UK. Huzoor (May Allāh be his Helper) prayed for their success as well.

Please convey these guidelines given by Huzoor (May Allāh be his Helper) to members of your Jama'at.

Jazākumullāh.

Wassalām,

(Ch. Hameedullah)
