Dear Brother,

السلام علیکم ورحمة اللہ وبرکاتہ

On February 14, 2014, Hazrat Khalīfatul-Masīh V (May Allāh be his Helper) delivered the Friday Sermon at the Baitul Futūh Mosque, Morden, London.

Huzoor (May Allāh be his Helper) spoke about the signs shown by the Promised Messiah عليه السلام in light of the very revelations he عليه السلام received from God. He read out these signs from the writings of the Promised Messiah .

Huzoor (May Allāh be his Helper) quoted the Promised Messiah عليه السلام saying that the purpose of the signs God showed for the Promised Messiah عليه السلام during his lifetime or after him is that He wants to establish the truth of Islām in the world and demonstrate to mankind the sublime status of the Holy Prophet صلى الله عليه وسلم , peace and blessings of Allāh be upon him.

Huzoor (May Allāh be his Helper) said that the signs God showed for the Promised Messiah عليه السلام not only serve as convincing arguments for the truth of Islām for those who raise objections against the religion, but also provide evidence of the truthfulness of the Promised Messiah عليه السلام to those who have come to believe in him.

Huzoor (May Allāh be his Helper) quoted from Barāhin-e-Ahmadiyya, a book written by the Promised Messsiah عليه السلام , wherein the Promised Messiah عليه السلام said:

“All this has been done so that for the true seekers of truth it becomes evident that all blessings and lights are found in Islam alone, and so that God clinches His argument against the unbelieving and against those who, by denying the holy and sublime status of the Seal of the Prophets, utter blasphemy against him and lay unfair allegations against him, despite the fact that he was the best and holiest of all men. So that argument is established against those who are heedless of the fact that the Holy Prophet صلى الله عليه وسلم , alone is the most perfect of all men and that his lights have been illuminating the world like the sun to this day and will continue to do so till the end of times.”

Huzoor (May Allāh be his Helper) said that through the writings of the Promised Messiah عليه السلام , which are so full of truth, God wants the opponents of Islām to acknowledge the glory of Islām. Also, God wants the truthfulness of the Promised Messiah عليه السلام to become evident for those who truly seek the truth. And, by causing his revelations and visions to be recorded, God wants to enhance the faith of those who have come to believe in him.

Huzoor (May Allāh be his Helper) quoted from *Kashti-e-Nuh*, a book written by the Promised Messiah عليه السلام , wherein the Promised Messiah عليه السلام said:

“The prophecies that God revealed to me from the unseen have come to pass at their respective times and such prophecies number at least ten thousand... All of my prophecies have been fulfilled — or if not completely, at least a part of these prophecies has come true... I emphatically declare that thousands of my prophecies have been fulfilled categorically and thousands of people have witnessed their fulfilment.”

Huzoor (May Allāh be his Helper) quoted a few prophecies from *Nuzulul Masīh*, a book of the Promised Messiah عليه السلام, and said that the books written by the Promised Messiah عليه السلام too are a sign of the Almighty God for his truthfulness.

Huzoor (May Allāh be his Helper) quoted the Promised Messiah عليه السلام.

“Upon many occasions, I particularly witness the miraculous power of the Almighty God helping me at the time when I am writing a book. I say this because when I decide to write a sentence, whether in Arabic or Urdu, I feel as if someone is instructing me from within myself.”

Huzoor (May Allāh be his Helper) quoted a few faith-enhancing incidents from the lives of those who embraced Islam after reading the books of the Promised Messiah عليه السلام.

Huzoor (May Allāh be his Helper) quoted the Promised Messiah عليه السلام:

“I am the one at whose hand God has shown hundreds of signs. I swear by the name of the Almighty God in whose hand my life rests that as many as two hundred thousand signs have been shown at my hand to this day.”

Huzoor (May Allāh be his Helper) related a few faith-enhancing incidents whereby people embraced Ahmadiyyat after seeing a dream about the truthfulness of the Promised Messiah عليه السلام. Some people saw such dreams during the lifetime of the Promised Messiah عليه السلام and some after him.

Huzoor (May Allāh be his Helper) also related few incidents from the lives of certain African people who embraced Ahmadiyyat after they had seen a dream about the truthfulness of the Promised Messiah عليه السلام.

Huzoor (May Allāh be his Helper) quoted the Promised Messiah عليه السلام:

“Our Jamā‘at needs to establish a sincere relationship with God. They should be thankful to God for not leaving them helpless. Rather, God showed hundreds of mighty signs for them to help them take their faith to the level of perfect conviction.”

Huzoor (May Allāh be his Helper) said that may God enable us all to establish a sincere relationship with Him, as a result of which each one of us is enabled to manifest signs of His greatness. May God enhance our faith so that we may inspire our future generations with the same spirit. *Āmīn*.

Towards the end of the Friday Sermon, Huzoor (May Allāh be his Helper) spoke of the martyrdom of Raziuddin Sahib, son of Muhammad Hussain Mukhtar Sahib of Karachi, and of the sad demise of Dr. Khalid Yusuf Sahib, ENT Registrar, at the Fadl Umar Hospital, Rabwah,

Pakistan. Huzoor (May Allāh be his Helper) led the funeral prayer of the two in absentia after the Jumu‘a Prayer.

Jazākumullāh.
